Ingredients

Green tea (Japan), Matcha (Japan)

How to drink

For cold

Please put 1 tea bag in a pitcher and store in a refrigerator.

Water / **800ml**

Time / **2 hours**

※Mineral water or boiled and cooled water is best.

For hot

Please put 1 tea bag in a boiled water and stop heating.

Hot water / **800ml**

Time / **5 min**

※Please be careful when handling hot water.

For tea pot

Please put 1 tea bag in a tea pot and pour hot water.

※Please adjust the density of tea with amount of water and extraction time.

Caution

- ◇ This product is produced at a factory that also processes buckwheat
- ◇ There sometimes a spot on the seal part of the tea bag which is triggered by sandwiching ingredient when tea bag processing so it is not a foreign material.
- ◇ After opening, in order to prevent degradation and contamination of foreign matter and insects, close the opening and put it in a teacan and enjoy as soon as possible.
- ◇ If it does not suit your constitution, please refrain from drinking.
